

Allianz PNB Life Audit, Compliance and Risk Management Committee Charter

1.0 OBJECTIVE

- 1.1 Corporate Governance is increasingly the focus of regulators and investigators. Current regulations and practices point to the Audit Committee as an operative mechanism in enhancing corporate governance process. Not only do well governed companies better manage risk exposures – they also improve business performance and strengthen confidence of stakeholders through increased transparency and accountability.

Undoubtedly, an effective Audit, Compliance, and Risk Management Committee is one of the key drivers in the management and mitigation of risks.

2.0 SCOPE OF DUTIES AND RESPONSIBILITIES

- 2.1 The Committee is thus formed to assist the Board in fulfilling its oversight responsibilities on the following:
- Financial reporting process;
 - System of internal control and audit process;
 - Risk management;
 - Monitoring compliance with laws and regulations and its own Code of Business Conduct; and
 - Implementation of the Company's Audit, Compliance, Risk, Actuarial, Accounting and Outsourcing Policies.

In performing its duties, the Committee shall work with the Board of Directors, management, and the internal and external auditors. To effectively discharge its function, each committee member shall endeavor to have a good understanding of the corporation's business operations and risk exposures.

3.0 AUDIT

- 3.1 Role and Responsibilities on Financial Reports/ Statements
- Determine and review financial risks and management of exposures. Inquire from management and the internal and external auditors about significant risks and exposures and the plans to minimize such risks.
 - Review the annual financial statements and determine whether they are complete and consistent with standards, assess whether the financial statements reflect appropriate accounting principles.
 - Determine with the internal and external auditors any fraud and/or illegal act/ deficiency in internal control of other similar issues and seek measures on how to mitigate or avoid them.
 - Review significant accounting and reporting issues, including recent professional and regulatory pronouncements, and understand their impact on the financial statements.
