

Imagine a confident tomorrow  
for yourself while helping Filipino  
communities at the same time with

**Allianz Protect**

**Allianz Protect** is a simple and comprehensive insurance solution that can empower you and your family.

It provides full-spectrum of guaranteed protection for any stage of your life while fitting the needs of your budget.

### Death Benefit

Should the unfortunate happen and you pass away, your beneficiaries will receive a death benefit payout to help them through the difficulties of losing a loved one.

### Sustainability Protection Benefit

As part of Allianz PNB Life's commitment to securing the future through sustainability, on your behalf, we will give a yearly PHP 500 contribution to the **World Wildlife Fund Food Shed Farming Enterprise**.

The Food Shed Farming System is a compact, protective, regenerative and diversified food production system. The system adopts natural and green farming technologies to produce healthy and quality food products for the family and the community. It also helps building resilience among the urban poor, who have no direct access to food sources like farmland, forests, or municipal fishing grounds. Transferring this knowledge and technology can protect low-income communities against hunger due to the reduced ability to purchase food, or sudden supply disruptions.

On top of your Allianz Protect coverage, you will also get additional coverage that is equal to 25% of your Policy Amount.

### Plan may be renewed until the age 75

Be protected throughout all the stages of your life!
