

AZpire Wiz Pro

SECURE THE FUTURE OF YOUR CHILD'S EDUCATION

Allianz 

Allianz PNB Life Insurance, Inc.

Nothing is more rewarding for parents than to see their children be educated and get better opportunities. But with the rising costs of tuition fees, this has become a challenging endeavor.

Start thinking about your children's education and save up now! For as low as Php 82.20 per day, you can secure their future and fund their college tuition fees. Empower your children to be the best version of themselves without having to worry about uncertainties!

AZpire Wiz Pro is a regular pay unit-linked plan that allocates a larger portion of your funds to investment, which lets you grow your money the fastest way. It is designed to give you protection equivalent to 5 times of your annual premium or your fund value* to make sure that you will enjoy a worry-free life after your retirement.

**whichever is higher*

Why AZpire Wiz Pro:

Funds you can influence.

Choose the fund which is right for your risk appetite. You can switch your plan's investment up to 4 switches a year, free of charge.

Withdrawals made easier.

Set your annual target withdrawal amount once your child turns 18, and start scheduled withdrawals that will coincide with your child's college years.

Investments you can control.

Increase your investment funds further through Regular or Lump Sum Top Ups.

Volume discounts available.

Take advantage of the volume discounts and get lower charges when you opt to pay for higher premiums.

Bonuses to help you grow your money.

The Loyalty Bonus provides you an additional 5% of your average fund value in the last 120 months, while the Premium Bonus can give you an additional 2% of your premium starting on your 6th year onwards if you continuously pay your premiums from the beginning with no withdrawals made.

How AZpire Wiz Pro works for you:

Ryan is an 8-year old boy who aspires to be the greatest scientist in the Philippines!
To secure his college degree, his parents purchased an AZpire Wiz Pro plan for him.
Let's see the result of his parents' investment if their chosen fund earned 4% per year.
