## INVESTOR RISK PROFILE QUESTIONNAIRE

## What kind of investor are you?

Answer this questionnaire to find out.

Allianz PNB Life Insurance, Inc. is committed to respecting the privacy of your personal information in the accomplishment of this questionnaire. We gather this information strictly for our own use. We will not provide or sell any information contained herein to any third party. No sales person will call you unless you specifically request it.

This questionnaire helps you and your Allianz PNB Life Insurance, Inc.'s Financial Advisor determine your personal investment style that goes along with your protection needs. There are no right and wrong answers. It measures your investment time frame, stage of life, financial situation, priorities, and goals.

The questionnaire will translate your needs into an asset allocation designed to take where you want to go over the long term. Please accomplish this questionnaire together with your Allianz PNB Life Insurance, Inc.'s Financial Advisor who will answer any questions you have and help you choose the appropriate investment to meet your financial needs.

As your personal circumstances change, we recommend you repeat this on a yearly basis.
